

World Guppy Contest 2021

A Virtual show - Connecting guppy breeders from all the world

Hosted by the Brazilian Guppy Association

Sanction by the World Guppy Association

Another year has passed, and our WORLD GUPPY CONTEST 2020 VIRTUAL was a great success. We bet on virtual events and we see these shows are here to stay even after this global moment of pandemic. So we from BR Guppy, supported by the WGA, joined forces in another great World event, attracting breeders, hobbyists and judges from all over the planet in another great WORLD GUPPY CONTEST VIRTUAL 2021.

Hope see you there.

Let's make this event a moment of relaxation, union and joy.

Join with us in this WORLD GUPPY SHOW.

SHOW RULES:

Video show entries need to be sent in a format mp4. Each show entry video, 20 to 30 second duration for all show.

Show rules in general will be based on the WORLD GUPPY CONTEST rules subject to review by a judging panel.

VIDEO PARAMETERS AND RULES:

- 1) it is prohibited to change or enhance the color of the video or show entry.
- 2) The light should be white or natural and the aquarium with a black background.
- 3) The aquarium and water should be clean without colored water.
- 4) When registering, the candidate will be able to send 05 videos by selecting "the name of the class" in which the fish will enter. Fish entered in the wrong classes will be disqualified;
- 5) a measuring device like a ruler in metric or in inches must be included in the tank with the show entry so to measure the size of the fish.
- 6) The scale or ruler must be in the background of the tank with the fish in front of the scale or ruler.
- 7) Video with personal or company or corporate names or advertisements is prohibited
- 8) In the top corner of the aquarium there should be the breeder's ID which is in the personal registration of the registration platform;
- 9) Videos should be sent between November 5th to december 12th . (possible extension if decided by the Brazilian Guppy Association).

World Guppy Contest 2021

A Virtual show - Connecting guppy breeders from all the world

- 10) It is advised that all video show entries be sent as soon as possible to avoid being late and your videos not being judged.
- 11) All videos can be deleted by the participants up to November 2021
- 12) The video should show the fish from above (5s) and from the front very close to the front of the ruler, so that the judge can see the size and characteristics of the entry.

NOTE:
